

# YRUU RED T.A.P.E. (trip.activity.project.event) FORM

This form was generated by YRUU youth and adults to stimulate successful and creative youth programming. DOING FUN STUFF TOGETHER is important to YRUU. When everyone is on board and invested in a plan, YRUU is empowered! Please use this form at the first INKLING of a trip.activity.project.event! Brainstorm with it. Iron out ideas. Question the need for things. Define goals, purpose and values with it. Write on it. Draw on it! Ask for help from others with it (like using it for board proposal or approaching a congregant/committee). Whatever you do, *SHARE it with the YAC or YRUU* so all can help support the YRUU vision. Here's when to share it with the other group:

- *2 weeks prior to a smaller event* (for example: 25 miles or less from church, an overnight at the UUC, minimal costs incurred—no budget needed, a half-day long retreat)
- *3-4 weeks prior to a larger event* (eg: further then 25 miles away, greater costs being incurred that require a budget, involving another group of youth, extended overnights off site, full day retreat).
