

Art Committee Annual Report 2023-2024

Committee Chair and Members: Mary Ratliff (Chair), Denise Martin, Aileen Fletcher

Purpose of the Committee: To present artwork in the gallery space from Congregants and artists in the community

Achievements During the Last Year: We were successful in displaying the work of numerous artists for 2 or 3 months at a time throughout the year. We also had a member art show where members could submit their items for display and sale. We want to celebrate the creativity of our members and encourage more participation.

Lessons Learned in the Last Year: We learned how important it is to be organized and stay organized and to communicate effectively.

Committee Expenses for the Year: None

How the Committee Supports the Mission and Vision of UUC: We want to celebrate the beauty of art and our building. We want to bring joy to our community and visitors. We want to celebrate the creativity of our members.

Goals of the Committee for Next Year: 1. We want to have a children's and/or young adult show. 2. We want to have a craft vendor show for members this Christmas season. This furthers our mission by inviting people to share their creativity with others and inviting people to share in the joy we have within these walls.
