

2019 Auction

29th Annual UUC

Goods and Services Auction

October 26, 2019 – 5:00 pm

Auction Notes

Live Standing Bids

For dinners and other items with multiple seats available, we will be using “Standing Bids.” When you wish to bid on these items, please stand up and remain standing as the bidding continues. Hold up your fingers to represent the number of seats you are bidding on. You may sit down if the bid rises past your limit. Those left standing at the end of the bidding are the winners of that item.

Silent Auction Reminder

Each catalog item has a bidding sheet. Each bid must be on a new line on the bidding sheet. Do not erase or cross off previous bids. Use the next available line.

All bids must be in whole dollar amounts.

For cases in which more than one of a particular item is available **and** you want to bid on more than one, you must enter individual bids on separate lines for each. The highest bidder(s) win; if there are enough items such that lower bids may also win, winners will be taken in order of decreasing bid and, for ties, the earliest bidder will win.

Please Remember

We encourage everyone to pay for and pick up your goods promptly when the auction ends. However, please remember that our dedicated and hardworking bookkeepers are working as fast as they can so treat them gently!

It is the joint responsibility of donors and buyers to be sure that goods and services with future delivery dates are handled appropriately and faithfully.
