

UUC Partial Opening Conditions as Proposed by the Safety Committee and Approved by the Board on July 9, 2020

The board will monitor local trends in the spread of COVID-19 by monitoring the 7-day moving average of the number of new cases reported each day in Montgomery County as posted on the Virginia Department of Health website (<https://www.vdh.virginia.gov/coronavirus>). The board will consider reclosing the building if there is an upward trend over 7 days.

Individual exceptions to the following conditions may be made upon petition to the board.

Begin date: August 1, provided we have not had an upward trend in the number of new cases in the 7 days prior.

Wash hands after using the bathroom and as needed, avoid touching face.

If groups meet in person, then they need to have a Zoom link for those who don't feel able to attend in person so all can participate. One person in the group would need to have a laptop and feel comfortable setting up the Zoom. (need to use webcam so that participants can be seen).

One person in the group must be identified to ensure that all of the requirements are met (including wiping down surfaces).

Groups can be UUC committees/groups or outside groups who typically use our space.

Thermostat/AC use: If the thermostat is touched, it must be wiped down with a sanitizing wipe (provided).
The blower fan should be set to run constantly during the meeting time.
