

Dreaming Our Soul's Purpose a Dream Quest for Women

Friday February 21 &
Saturday February 22, 2020

Unitarian Universalist Church—Charlottesville
717 Rugby Road 434.293.8179

Women of all ages (including young women 9th grade and up) are invited to our overnight *Dream Quest* Friday February 21 at 6pm through Saturday February 22 at 11am. Therapist, healer, musician, teacher and Dream Quest Facilitator Judith Tripp will travel from San Francisco to lead us in our eleventh annual Women's Dream Quest.

We will enter into sacred space and use the gifts of the labyrinth, music, silence, ritual & expressive arts to guide us individually and collectively into deep soul work with time for reflection, meditation, prayer and dreaming. Previous experience working with dreams is not needed—the Dream Quest is its own unique kind of dream. It is a time for embracing the quiet, trusting the silence and looking inward. Come and join us in this Quest as we explore the mystery that weaves through our lives and the life of our planet using the language of our spiritual traditions to point the way. Within the embrace of a sacred circle, we will work deeply to renew our spirits and replenish our souls.

Participants sleep in the church on their own linens/sleeping bags and pads/air mattress. Breakfast and snacks are included. ***Space is limited to 40 participants. Please register as soon as possible to insure your space.***

Registration is sliding scale \$75-\$100 with a limited number of work scholarship registrations available.

PRE-REGISTRATION is REQUIRED.
